## PERSONAL STATEMENT

I'm a 32 years old freelancer doing mostly photography, videography & design projects currently based in Singapore. I love taking on projects that challenges my skillsets as that's where I will learn the most!

I also have experience developing websites using HTML5, CSS, Javascript, Wordpress, Webflow, while also developed my own game using C# in Unity for my final year project!

As you can see, I'm the classic jack of all trades but not to worry, I can be a master of one if needed to be!

## EDUCATION
